

ITEM 147-116-R0510

2013 Biennium MUS Long Range Building Program

THAT

The Board of Regents of Higher Education adopts the Montana University System Long Range Building Program as presented in the attached priority listing.

EXPLANATION

In preparation for the 2011 legislative session, the Architecture and Engineering Division of the Department of Administration has requested the submittal of an MUS prioritized Long Range Building Program request. The prioritized requests, as approved by the Board, will be considered as the Governor develops a Statewide Long Range Building Program to be presented to the 2011 Legislature.
