

ITEM 147-115-R0510

Repeal of Board of Regents Policy 404.1 – Indirect Cost Allowance; Carl Perkins Projects

THAT

The Board of Regents of Higher Education repeal Policy 404.1, Indirect Cost Allowance; Carl Perkins Projects.

EXPLANATION

Indirect cost allowances for Carl Perkins programs are set by the federal government; therefore, a Board of Regents policy on indirect costs is redundant. Moreover, the federal guidelines change over time, increasing the likelihood that the regental policy will inadvertently conflict with the federal requirement.
