Re: **Item 160-120-R0913**

I recommend approval of the FY 2014-15 labor agreement between the Montana University System and the American Federation of State, County and Municipal Employees Local 441.

The agreement covers approximately 13 employees at the Montana State University Livestock and Research Laboratory at Miles City.

The primary economic component of this new labor agreement is across-the-board base wage increases on October 1, 2013 of 2.25 percent plus \$0.12 per hour and on October 1, 2014 of 2.25 percent plus \$0.12 per hour. In addition to the economic provisions, the agreement also includes other revisions to contract provisions that have no economic impact.
