Re: **Item 163-111-R0514**

I recommend approval of the FY 2014-15 labor agreement between the Montana University System and the faculty union for faculty at Missoula College.

The primary economic component of this new labor agreement is a normal salary increase of 2.25 percent plus \$250 on both October 1, 2013, and October 1, 2014. The agreement also continues campus-level salary approaches for merit and other campus-specific needs. In addition to the aforementioned types of economic provisions, the agreement also includes other revisions to contract provisions that have no economic impact.
