Request for Approval of Core Themes

THAT

In accordance with the request of the Northwest Commission on Colleges and Universities (NWCCU), Montana Western proposes the following Core Themes for approval by the Montana Board of Regents of Higher Education.

EXPLANATION

The following core themes were developed for submission with Montana Western's Year One report on Standard One: *Mission, Core Themes and Expectations*, which was submitted to NWCCU in March of 2011. The Core Themes underwent full review and received approval on the Montana Western campus in 2010-11. While some of the goals and objectives associated with the core themes have changed since 2011, our core themes have not been modified. They serve as the scaffold for Montana Western's 2014-15 Strategic Plan: *Experience the Difference*.

1. Continuously improve undergraduate education and experiential learning.
 2. Maximize campus-wide support for student success and completion.
 3. Foster responsible campus efficiency and stewardship of resources.
