Revision of BOR Policy 940.12.1 – Tuition and Fee Approval; Disclosure of Total Cost of Attendance

THAT

The Montana Board of Regents of Higher Education hereby revises BOR Policy 940.12.1.

EXPLANATION

This proposed revision of BOR Policy 940.12.1 is being brought forward by representatives of MUS student governments. The proposed changes would allow increases in or new “student driven fees” to be considered by the Board of Regents annually. Present policy language indicates that approval of tuition and fees will take place once every two years; normally during the May meeting of odd numbered years.
