

November 17-18 2016

ITEM 173-1002-R1116**Authorization to Expend Reverted Appropriations – Forestry and Conservation Experiment Station –
University of Montana-Missoula**

THAT

Consistent with MCA 17-7-304, Disposal of Unexpended Appropriations, and BOR 901.6, Authorization to Expend Reverted Appropriations, the Board of Regents of the Montana University System authorizes the Forestry and Conservation Experiment Station, University of Montana – Missoula to expend reverted appropriations based on the attached list.

EXPLANATION

Board of Regents policy and Montana Code Annotated authorize campuses and agencies of the Montana University System to expend reverted appropriations subsequent to Regent approval of a spending plan. The policy requires submitting an itemized expenditure list consistent with the long-term plan prior to expenditure of funds from a reverted appropriation. MCA 17-7-304 specifies that reversions are to be spent on deferred maintenance or equipment. This request meets legislative intent. Expenditures will not exceed the amount of available funds.
