**To:** President Engstrom

**From:** John DeBoer, Faculty Senate Chair

A handwritten signature in black ink, appearing to read 'J. DeBoer', written over the 'From:' field.

**Date:** October 25, 2016

**Re:** Naming Gift

On October 13<sup>th</sup> the Faculty Senate unanimously voted to approve the re-naming of the College of Forestry and Conservation and the Global Leadership Initiative in honor of Bill and Carolyn Franke's substantial gift to the University. The Franke family's generosity will provide future faculty and students with unique opportunities in experiential education, sustainability, and conservation. The W.A. Franke College of Forestry and Conservation and the Franke Global Leadership are worthy tributes to this generosity and true to the spirit of the University's naming tradition.
