**A Homegrown  
Solution for Montana's  
Healthcare Workforce**

# Healthcare by the Numbers

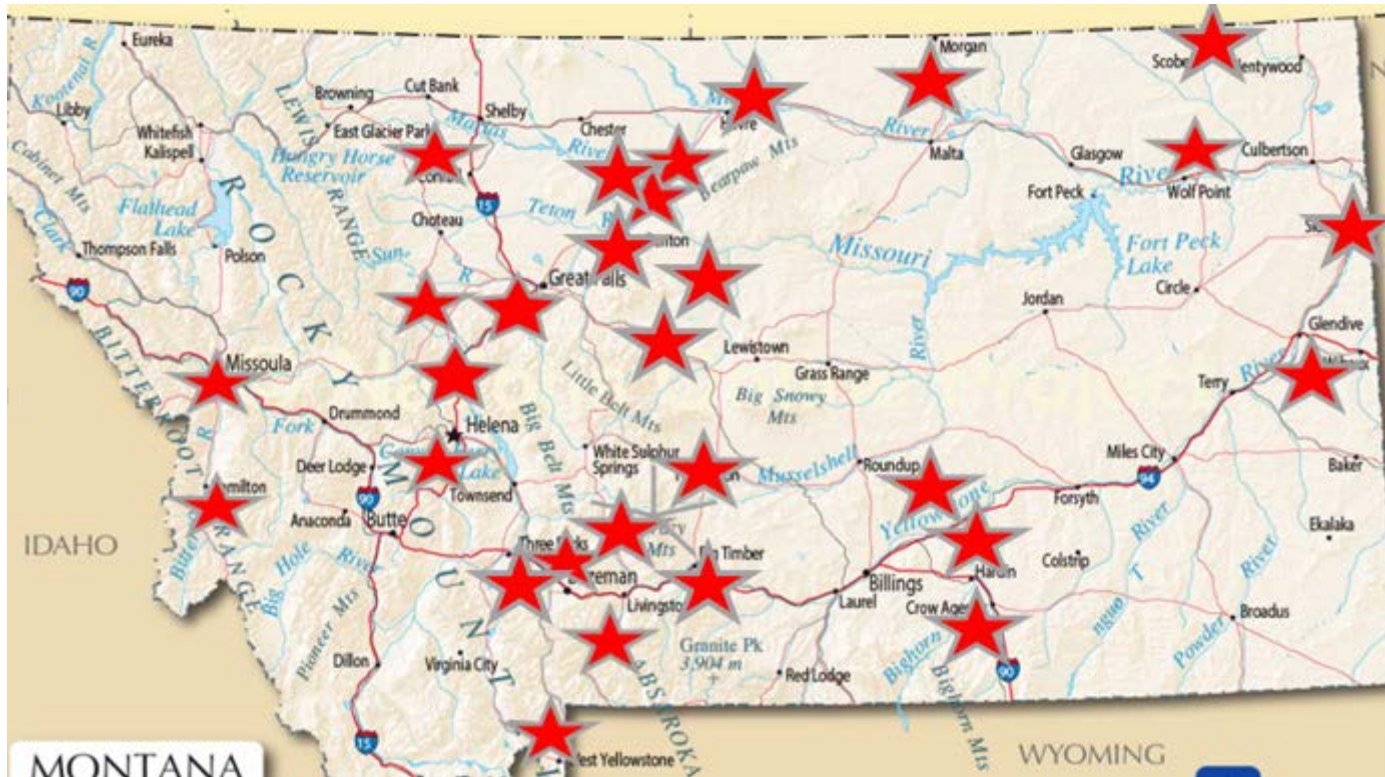

- 5000 students enrolled
- 2000 students directly served
- 15 campuses
- 155 healthcare certificates/degrees
- 200 industry representatives
- \$8,000 reduction in cost for nursing students
- 3 colleges offering PN via distance delivery
- 48 employees enrolled in registered healthcare apprenticeships in 18 facilities

# Facilities Interested in CRRN Training

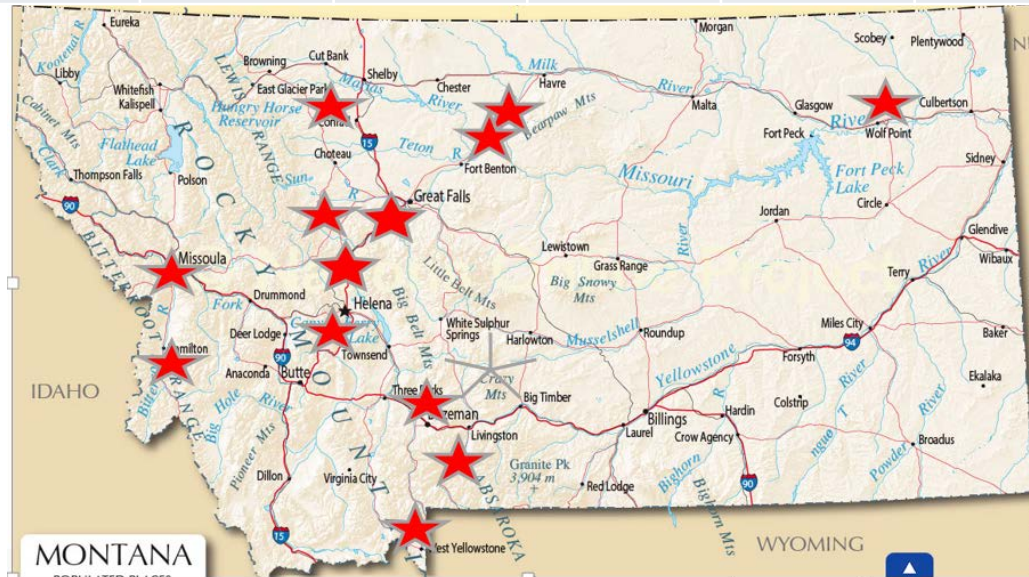

*“Thank you so much!! I am excited to be part of adding to our profession!! I’ve always been an advocate for CNAs going on. Grow your own!!!”*  
Quote from Sheridan Memorial in Plentywood.

# Distance PN Pre-requisite Students

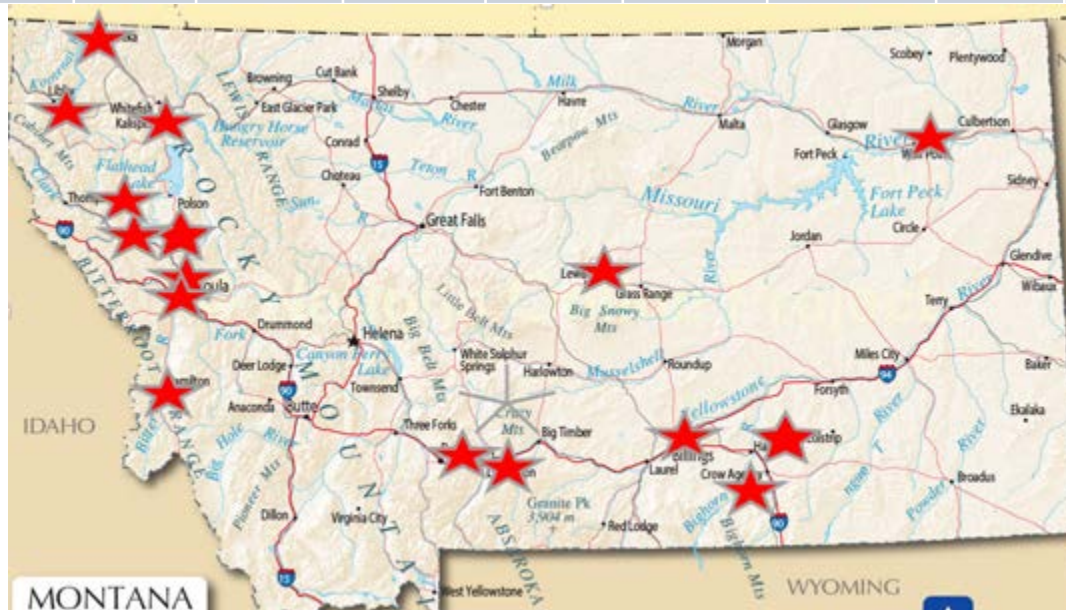

# Students Accepted into GFC & CC Distance Nursing Programs

Program Applicants			Accepted to Program		
Total	Resident	Distance	Total	Resident	Distance
53	36	17	36	23	13
