One Environment · Unified Registration

Seamless OneMSU

Students benefit from the large selection of different course offerings, traditional and on-line, across the four MSU campuses. This will help students stay on track for their degree program by streamlining institutional processes.

Academics

Our vision for Seamless course sharing:

- Collaborate with Admissions to improve CCN
  - Conduct a thorough assessment of commonly numbered courses offered through the MSU system
  - Identify and fix courses that are not seamlessly transferring
  - Ensure that common learning outcomes exist in all CCN courses
  - Develop new oversight protocols for the CCN process

Administration and Finance

Our vision for Seamless record and resource sharing:

- Provide excellent service to students co-enrolled at more than one institution.

- Staff at the student's home campus will have visibility into the student's charges and financial aid at all campuses, enabling staff to deliver comprehensive service within the MSU-wide context.

- Campuses receive fair revenue allocation from students co-enrolled at more than one institution

Admissions

Our vision for Seamless transfer between MSU campuses:

- Common webpage for all campuses to provide identical information and resources regardless of where a student looks to find them.
- Provide students one identical form in Banner Web/myInfo to serve all the processes of transferring and co-enrolling in multiple schools

Financial Aid

Our vision for Seamless record and resource sharing:

- Co-enrollment between MSU institutions
- Sharing verification completion between MSU institutions
- Ensure all Seamless MSU initiatives are in compliance

Office of the Registrars

Our vision for Seamless registration and record sharing:

- One online form to facilitate all multi-campus enrollment transactions
- Sharing all enrollment-related student records including: academic transcripts, safety and security, everfi-completion, immunization, etc.
- Communication to the student about their successful multi-campus enrollment
- Informing Student Accounts of students with multi-campus enrollments and posting course outcomes on primary school transcript
