

Resolution #1
Of the
Associated Students of Montana State University Billings
Supporting the Yellowstone Science and Health Building
In Conjunction with the MSUB Foundation Office

WHEREAS ASMSUB Senate recognizes that the 2.1 million dollar student equipment fee, which was already collected, is needed for the Yellowstone Science and Health Building.

WHEREAS ASMSUB Senate recognizes that the current plan is to use the fees for student equipment items such as lab equipment, furnishings, and other lab related construction costs.

THEREFORE LET IT BE RESOLVED that the Associated Students of MSU Billings supports the MSU Billings Foundation office using the 2.1 million dollars in already collected student equipment fees for the Yellowstone Science and Health Building project.
