Request for authorization to increase ASHC student fee

THAT

Helena College UM, on behalf of the Associated Students of Helena College (ASHC) requests authorization to raise the current fee of \$15 per student each semester to \$35 per student each semester.

EXPLANATION

ASHC uses the student fees in a variety of ways such as: club funding, campus-wide events, and student scholarships. The current fee has been in place for over fifteen years and is currently the lowest in the Montana University System (MUS). ASHC proposes to raise the fee to \$35 per student each semester, so that they would be able to better support student clubs, host more campus events, and increase the ASHC sponsored student scholarships.
