**Montana National Guard Tuition Waiver Policy Revisions**

---

**THAT**

The Board of Regents revises BOR Policies 940.13 – Tuition Waivers and Discounts and 940.1 – Residency Policy to further clarify award criteria for the Montana National Guard Tuition Waiver.

---

**EXPLANATION**

1. Revisions to Policy 940.13 – Tuition Waivers and Discounts include the removal of the 120 credit hour limit in order to align the criteria for the MT National Guard Waiver with all other waivers within this policy and to further clarify that non-residents are eligible for in-state tuition status for the purposes of applying for the waiver.
  2. Revisions to Policy 940.1 specify that members of the Montana National Guard who do not meet the requirements for residency, but who meet the requirements for the Montana National Guard Waiver in Policy 940.13, are eligible for in-state tuition status.
