ITEM 187-1021-R0320

Request for Authorization for Structural Repairs to Washington Grizzly Stadium, University of Montana-Missoula

THAT

Consistent with MCA 18-2-102 (2) (b) and with Board of Regents Policy 1003.7, the Board of Regents authorizes the University of Montana to implement steps necessary to make structural repairs to Washington Grizzly Stadium using proceeds from bond funds. This request is for a total of \$1,000,000.

EXPLANATION

Periodic structural maintenance is crucial to maintaining a safe structure, this project will address the structural maintenance and repairs, much of which has been deferred over the past years. This project entails the following types of work:

- New membrane for plaza
- Repairing and replacing concrete surfaces
- Repairing and painting deteriorated structural connections
- West access stair replacement
- Handrail/guardrail repair and replacements
- Maintenance painting
- Crack sealing

Funding Source: This project is funded with maintenance funds from Auxiliary Operations Revenue (Renewal and Replacement Budget) derived from the recent bond issue proceeds.

Estimated Cost: the total project cost will not exceed \$1,000,000
