

Long-Range Building Program - Montana State University Major Repairs

67th Legislative Session

Montana State University Consolidated Priority List - Last Updated: 02.21.2020

Campus Planning, Design & Construction

MSU Priority	Campus	Priority Category (Provided by State A&E)	Project Title	Est. Project Cost (2023)
1	Montana State University Bozeman	1. Health & Life Safety (Fire, Safety, Environmental)	Reid Hall Fire Suppression and Alarm System Retrofit	\$1,700,000
2	Montana Agricultural Experiment Stations MAES	1. Health & Life Safety (Fire, Safety, Environmental)	BART Agricultural Feed Mill Disassembly/Removal	\$175,000
3	Montana State University Bozeman	1. Health & Life Safety (Fire, Safety, Environmental)	Pedestrian Safety and Infrastructure Upgrades	\$882,000
4	Montana State University Billings	2. Critical	Library Boiler Replacement	\$750,000
5	Montana State University Bozeman	1. Health & Life Safety (Fire, Safety, Environmental)	Montana Hall Fire Suppression/Alarm System Upgrades	\$455,000
6	Montana State University Northern	3. Necessary	Brockmann Center HVAC & Energy Project	\$855,000
7	Montana State University Bozeman	3. Necessary	Linfield Hall Transformer and MDP Upgrades	\$2,200,000
8	Montana State University Billings	1. Health & Life Safety (Fire, Safety, Environmental)	Art Annex Safety and System Updates	\$1,200,000
9	Montana Agricultural Experiment Stations MAES	2. Critical	WARC Tractor/Equipment Storage/Machine Shop Renovation	\$90,000
10	Montana State University Bozeman	1. Health & Life Safety (Fire, Safety, Environmental)	Haynes Hall Instructional Lab Ventilation Upgrades	\$1,600,000
11	Montana State University Northern	5. Cost Savings (energy, demolition, and environmental quality)	Electronics Technology, HVAC & Lighting Upgrade	\$560,000
12	Montana State University Bozeman	3. Necessary	Reid Hall HV Systems Upgrades	\$1,750,000
13	Montana State University Bozeman	3. Necessary	Garfield Street Reconstruction	\$2,400,000
14	Montana Agricultural Experiment Stations MAES	3. Necessary	NARC Roof Installation at Grow Safe Research Facility	\$205,000
15	Montana State University Billings	3. Necessary	Library Instructional Space Modernization	\$1,750,000
16	Montana State University Bozeman	3. Necessary	Leon Johnson Hall Cooling Tower Replacement & District Energy Loop	\$1,590,000
17	Montana State University Northern	3. Necessary	Automotive Technology Building Systems Improvements	\$535,000
18	Montana State University Bozeman	3. Necessary	Reid Hall Secondary Electrical Upgrades	\$705,000
19	Montana State University Bozeman	3. Necessary	Traphagen Hall Roof Replacement	\$1,150,000
20	Montana Agricultural Experiment Stations MAES	1. Health & Life Safety (Fire, Safety, Environmental)	Red Bluff Lambing Barn Repairs and Renovation	\$120,000

21	Montana State University Bozeman	3. Necessary	Wilson Hall Envelope Repairs	\$2,270,000
22	Montana State University Billings	3. Necessary	Reroof Facilities Services Shop	\$250,000
23	Montana State University Northern	3. Necessary	Metals Technology Roof Project	\$270,000
24	Montana State University Bozeman	3. Necessary	Taylor Hall Envelope Repairs	\$400,000
25	Montana State University Bozeman	5. Cost Savings (energy, demolition, and environmental quality)	Service Drive Reconstruction	\$680,000
26	Montana Agricultural Experiment Stations MAES	3. Necessary	CARC Implement Shed Repairs and Renovation	\$62,000
27	Montana State University Bozeman	1. Health & Life Safety (Fire, Safety, Environmental)	Storm Water System Quality Improvements	\$285,000
28	Montana State University Northern	5. Cost Savings (energy, demolition, and environmental quality)	Campus EMS Building Controls Upgrade Project	\$270,000
29	Montana State University Bozeman	4. Programmatic	Herrick Hall Attic Renovation	\$1,590,000
30	Montana State University Bozeman	3. Necessary	Roberts Hall Window Replacement and Restoration	\$1,035,000
31	Montana State University Bozeman	3. Necessary	Hamilton Hall 3rd, 4th, and Attic Floor Repairs	\$510,000
32	Montana State University Northern	3. Necessary	Vande Bogart Library Roof Project	\$325,000
33	Montana State University Bozeman	3. Necessary	12th Street Reconstruction	\$570,000
34	Montana State University Bozeman	3. Necessary	Linfield Hall MDP and Branch Circuits Upgrades	\$1,800,000
35	Montana State University Bozeman	3. Necessary	Haynes Hall HVAC & VAV AHU System Upgrades	\$1,600,000
Total				\$32,589,000
