# 3+1 Pathways Program

*Dr. Jana Marcette*

**NSF Interdisciplinary STEM Education Research Grant**

A photograph of a modern university building with a large glass facade and a brick section. The building has a sign that says "HEALTH SCIENCES". In the foreground, a paved walkway curves through a green lawn. Several students are walking along the path. An American flag is visible on a pole to the right. The scene is bright and sunny with lush green trees and bushes.
