ITEM 190-1010-R0920

Request for Authorization to Remodel Liberal Arts (Eck Hall) North Classrooms and East Restrooms - University of Montana, Missoula

THAT

Consistent with Board of Regents Policy 1003.7, and as authorized in House Bill 05 of the 65th (2017) Legislative Session, the Board of Regents of the Montana University system authorizes the University of Montana – Missoula to expend up to \$2,300,000 for the Remodel of Liberal Arts (Eck Hall) north classrooms and east restrooms.

EXPLANATION

The University of Montana-Missoula obtained a \$1.0M private gift for the remodel of 9 north facing classrooms and the restrooms on the east end of the Academic core. The private funds were contingent upon the University of Montana providing matching funds, to which the University agreed. The 65th Legislature HB 5 approved \$6.0M authority only for the remodel of Liberal Arts Building in anticipation of private donor funding being made available for future remodel work. This request falls in line with that Legislative approval.
