Request for Approval of Revisions to BOR Policy 940.2 – Application Fee

THAT

The Board of Regents revises BOR Policy 940.2 - Application Fee to allow campuses and the System Office to waive application fees.

EXPLANATION

This policy revision changes the wording in the policy from “shall” to “may”, removing the requirement for campuses to charge an application fee. This change is prompted by the new central application process that will not charge resident students an application fee.
