**Revision to BOR Policy 940.13 - Tuition Waivers and Discounts**

---

**THAT**

The Board of Regents approves revisions to BOR Policy 940.13 – Tuition & Fee Approval to include graduate students as part of the Montana National Guard Waiver.

---

**EXPLANATION**

The proposed changes to Montana National Guard Waiver will allow graduate students who are enrolled members of the Montana National Guard the opportunity to receive tuition waivers as provided for in BOR Policy 940.13. In 2019, the Board of Regents adopted the Montana National Guard Waiver, providing tuition waivers to all undergraduate students who are bona fide members of the Montana National Guard. The 2021 Montana Legislature passed SB 243, stating that a member of the Montana National Guard is presumed to be domiciled in the state for purposes of qualifying for in-state tuition for a postsecondary certificate, baccalaureate, graduate, or professional program.
