ITEM 197-112-R1121

Revision to BOR Policy 1003.7 – Authorization for Building Projects

THAT

The Board of Regents adopts the revisions to BOR Policy 1003.7 to increase the spending authority threshold requiring Board of Regents approval.

EXPLANATION

Revisions to this policy are necessary for BOR policies to remain consistent on spending authority threshold levels. This will align threshold levels with proposed changes to BOR Policy 940.9.2 – Use of Plant Funds for Projects Over \$75,000.
