ITEM 196-2024-R0921

Request for Authorization to Upgrade Haynes Hall Lab Ventilation using LRBP Major Maintenance Funds; Montana State University

THAT

Consistent with BOR Policy 1003.7 authorization for building projects, the Board of Regents authorizes Montana State University to expend up to \$1.6 million of long-range building program (LRBP) funds to install and upgrade ventilation systems for two labs within Haynes Hall.

EXPLANATION

1. Montana State University (MSU) received legislative authority and funding during the 67th Legislative session under HB 5 in the amount \$1.6 million to install and upgrade ventilation systems for two labs within Haynes Hall.
 2. The project will improve ventilation systems for two laboratories within Haynes Halls.
 3. Haynes Hall contains studios for printmaking, sculpture, painting, metalsmithing, drawing and ceramics.
 4. MSU will coordinate with State A&E to design, bid and construct the project.
