

**Name:** G.G. Weix

**Title:** Professor of Anthropology, University of Montana

**Contact:** [gg.weix@mso.umt.edu](mailto:gg.weix@mso.umt.edu)

**Comment:** Recommend the University of Montana work with the UM Foundation to identify a cohort of individuals suitable for future building names. Her specific recommendations included former faculty, department chairs, and deans from her 30 years at UM. She did not speak specifically to the naming of Eck Hall.
