**Request for Authorization to Replace Soccer Field Turf and Construct Lights; Montana State University Billings**

---

**THAT**

Consistent with the provisions BOR Policy 1003.7, the Board of Regents authorizes Montana State University Billings to expend \$1,100,000 to replace existing soccer field turf and add lights at MSU Billings City College Campus.

---

**EXPLANATION**

1. A project will be undertaken to replace the existing soccer field turf and construct lights for the field located at Montana State University Billings City College Campus.
  2. The work will be NCAA compliant and will resolve life/safety issues regarding the condition and useability of the field.
  3. This project will be financed with a combination of physical plant funds, athletic funds, and fundraising.
  4. No new or additional state funds will be requested for the operations and maintenance of this existing facility.
