**Request for Approval to Revise Board of Regents Policy 203.5.2, Appeals**

---

**THAT**

The Board of Regents approves amendments to BOR Policy 203.5.2 regarding appeals.

---

**EXPLANATION**

Amending this policy is part of an overall effort to revise, consolidate, and modernize BOR policy. The proposed amendments simplify the policy language and add a deadline for filing a petition with district court. The proposed deadline is 30 days after service of the university system's final written decision, which is consistent with the 30-day deadline in the Montana Administrative Procedure Act.
