**ITEM 210-2005-R0124**

**Request for Authorization to Complete Parking Maintenance; Montana State University**

---

**THAT**

Consistent with MCA 20-25-302 and BOR Policy 1003.7, the Board of Regents authorizes Montana State University to spend up to \$4,000,000 to address maintenance needs of existing parking infrastructure on the Bozeman campus.

---

**EXPLANATION**

1. Existing parking inventory requires preventive maintenance and major maintenance work to ensure sustained service is maintained for MSU parking users.
  2. General maintenance of existing parking will help preserve parking assets. MSU engages in annual preventive maintenance to protect parking assets and improve safety for parking users.
  3. This work is part of the ongoing repair and replacement cycle for parking maintenance.
  4. Preventative maintenance will include crack sealing, pothole repairs, minor seal coating, striping, curb repair, and stormwater inlet cleaning.
  5. Major maintenance of existing parking will be completed in multiple locations across campus.
  6. Major maintenance will include pavement or asphalt repair, regrading, seal coating, curb replacement, lighting repair/replacement, and mill and overlay of asphalt.
  7. Projects will be paid for using physical plant funds from auxiliary revenue accounts and non-state parking revenue accounts.
  8. No additional operations and maintenance costs are anticipated with this project.
