ITEM 212- 1502- R0524

Request for Authorization to Replace Artificial Turf at Bob Green Field – Montana Technological University

THAT

Consistent with provisions of Board of Regents policy 1003.7, the Board of Regents of Higher Education authorizes Montana Technological University to expend up to \$750,000 to replace the existing artificial turf of Bob Green Field at Montana Technological University.

EXPLANATION

1. A project will be undertaken to replace the existing football field turf at Bob Green Field located on the Montana Technological University Campus.
 2. The current turf was installed in 2013 with a useful life estimated at 10 years. The project will resolve life/safety issues regarding the condition and useability of the field caused by the age and deterioration of the turf.
 3. The project will be financed with a combination of athletic funds, physical plant funds and private funds.
 4. No new or additional state funds will be requested for the operations and maintenance of this existing facility.
