Request for Authorization to Revise Policy 940.3 – Mandatory Fees

THAT

The Board of Regents adopts the proposed revisions to BOR Policy 940.3 – Mandatory Fees

EXPLANATION

The proposed revisions address an exemption from certain mandatory fees for distance education students, which is currently discussed in policy 940.20 – Annual Tuition and Fees for eLearning. References to this exemption are being moved to 940.3 to improve policy clarity. This revision also clarifies that incarcerated students and certain students participating in internship or clinical experiences at a distance from their home campus are eligible for the fee exemption.
