

NCLEX-Montana PN & RN Scores

The NCLEX-RN licensing exam is a national exam testing minimal competency for the practice of professional nursing in the United States. Graduates sign up and sit for the exam at the time of their choosing so annual pass rates is not reflective of that year's nursing graduates.

PN Pass Rates:

		2-Year Programs				
		Billings	Tech	Helena	Missoula	Great Falls
2002		84.6%	85.7%	94.7%	96.4%	100.0%
