Level II Program Change Request**

INSTITUTION: Montana Tech of The
University of Montana

ITEM NO.: 123-1501-R0504

PROGRAM: Networking Technology

DATE: May 20-21, 2004

Level II Proposal Approval

Level II proposals require approval by the Board of Regents. These proposals entail substantive additions to, alterations in, or termination of programs, structures, or administrative or academic entities typically characterized by the (a) addition, reassignment, or elimination of personnel, facilities, or courses of instruction; (b) rearrangement of budgets, cost centers, funding sources; and (c) changes which by implication could impact other campuses within the Montana University System and community colleges. Board policy 303.1 indicates the curricular proposals in this category:

- 1. Change names of degrees (e.g. from B.A. to B.F.A.)
- 2. Implement a new minor where there is no major;
- 3. Establish a new degree;
- 4. Add a major to an existing degree;
- 5. Expand/extend approved mission; and
- 6. Any other changes in governance and organization per Board of Regents' Policy 218 (such as formation, elimination or consolidation of a college, division, school, department, institute, bureau, center, station, laboratory, or similar unit).

Specify Request:

Proposal to move the AAS degree in Networking Technology and the Network Technician certificate from options under Computer Technology in the COT Business Department to the COT Information Technology Department.
