

## MEMORANDUM

**DATE:** November 18, 2004  
**TO:** Montana Board of Regents  
**FROM:** Roger Barber, Deputy Commissioner for Academic & Student Affairs  
**SUBJECT:** Level II Submissions

---

Montana Board of Regents' policy states that ". . . (C)ertificate or Associate Degree programs may be placed on submission at any Board of Regents' meeting. They will be placed on action agendas at subsequent meetings." This memorandum contains information about a proposed two-year degree program at one of the campuses. The proposal will be reviewed by the academic officers at this meeting, and will be moved to the action agenda of the Montana Board of Regents at subsequent meetings.

The new program proposal is as follows:

### **Montana State University-Great Falls College of Technology:**

- **ITEM 125-2851-R1104:** Montana State University-Great Falls College of Technology has requested permission to offer an Associate of Applied Science degree in Aviation.
