#### CHE 115 – Montana Technological University

Negative Fund Balance Report. There are three negative fund balances.

- The first negative fund balance is in Parking (Auxiliary Funds). The negative balance at fiscal year-end 2019 was \$3,909. Montana Tech had construction activity in FY 19 and closed one parking lot during this time so less tickets were issued resulting in lower parking revenues. We expect the fund balance to be positive at the end of fiscal year 2020.
- The second area with a negative fund balance at the end of fiscal year 2019 is Financial Aid Programs (Restricted Funds) in the amount of \$33,769. This negative is a result of a timing error of FY 2019 draw down of funding. The funds were requested from G5 at the end of June and not received until the beginning of July (FY 20). The account will not be negative at the end of fiscal year 2020.
- The third area with a negative fund balance is in Restricted Sponsored Programs (Restricted Funds). The \$2,514 negative balance is a result of June expenditures coming in slightly higher than projected and cost reimbursable contract and grant funding. We expect the fund balance to be positive at the end of fiscal year 2020.

#### CHE 116 – Montana Technological University

Negative Cash Balance Report. Montana Tech does not have any negative cash balances to report as of June 30, 2019 for funds that have been negative for two consecutive years.
