### Internship Program

Procedures is being set at Les Schwab Tires Inc. Not only is Carla the only female working in back of the shop, but she also has an outstanding reputation with her employer, for her attitude and overall GWT.

LES SCHWAB

- We have 20 businesses and agencies coordinating with the high school.
- Our goal is to have 50% of our seniors involved in the internship program

Brandy has taken her internship position to the next level. She attends an Intra-Valve OMT certification class 3 evenings a week and will receive her certification when she graduates from high school.

The key word at this business is "gradeflow". Before Tim begins, his mentor shows and exposes him to many of the different elements of the business. Using computer software, 4-axis operating mills, digital micrometers and a plethora of other machines, they create parts for firearms and the semiconductor industry.

LIBBY LOGGERS

Every spring we invite families of 7<sup>th</sup> graders to breakfast for the "I Pledge to Graduate" breakfast.

We feed over 200 people, and they get a chance to listen to Libby alumni speak about the importance of graduating.
